

# Columbus Preschool 4K Monthly

December 2009

## What Are We Doing This Month?

This month we will learn about our five senses in relation to the holiday season. We will learn about holiday traditions around the world and in our own families. We will have fun learning some festive holiday songs and practice them for our holiday program on **December 22<sup>nd</sup> at 2:00 pm at the Preschool**. All parents are invited to attend. We will have fun making holiday projects. In our dramatic play area we will set up the "North Pole" in our room complete with Reindeer play and Santa's "workshop".

## Concepts we are learning...

We will begin learning the "Tall Line Down Letters": l, t, h, b, k. We will learn to write them and learn the sounds they make. We will continue to expand our knowledge of patterns and the concept of reading them left to right. In science we will learn about our five senses; sight, smell, hearing, touch and taste. We will continue to learn what numbers 1-10 look like and one to one correspondence. We will continue working on rhyming.

## Songs, Poems, and Fingerplays...

### My Candy Cane

This is my candy cane for all who'd like to see,  
I can put it anywhere even on the tree.  
It reminds me of Christmas time and of the falling snow,  
But most of all when Santa goes, ho, ho, ho!

## Happy Birthday to...
