

Columbus Preschool 4K Monthly

January 2010

What Are We Doing This Month?

We will begin this month with a unit on Winter. We will learn about nature changes in the winter, animals in the winter, clothing we wear, and activities we do in the winter. We will learn about the winter Olympics which will be happening in February.

The last two weeks of the month we will learn about community helpers and workers. During these two weeks, we invite any parents to come visit and tell the children what you do in your job. If anyone is interested, please let me know, so we can set up the day and time. The children love this!

Concepts we are learning...

This month we will learn the "Leaning Line Letters". They are: v, w, x, y. We will learn how to write them and the sounds they make.

We will also focus more on rhyming words this month. We will also learn directional/positional concepts such as : Down/up, above/below, under/over, across, behind, etc...

In science we will learn about changes in regards to winter weather. We will learn about freezing and melting.

Reminders...

*NO SCHOOL- January 25th

*Please no toys from home should be brought to school.

*Please label coats, hats, mittens and boots

Songs, Poems, and Fingerplays...

The Wintery Wind
 The winter wind blows.
 The winter wind blows.
 It gives me the shivers
 From my head to my toes!

Happy Birthday to...

Augustus-January 6
 Cathy-January 25
 Molly-January 28
