September 2011

What Are We Doing This Month?

We are excited to begin our new year at the Columbus Preschool! We will begin our month learning school routines, creating some classroom rules together, learning each other's names, and getting to know each other. We then will have a unit on Insects. We will read the "Very" series written by a Eric Carle including "The Very Hungry Caterpillar", "The Very Quiet Cricket", "The Very Busy Spider", "The Very Lonely Firefly", and "The Very Clumsy Click Beetle". We will end the month with a unit on apples.

We will introduce Clifford and his friends to the class. He will be our class mascot this year and will get the chance to visit everyone at home.

Concepts we are learning...

We will begin learning to recognize our name and what letter it starts with.

We will learn that there are many colors in our world and to recognize them around us. We will begin with learning the colors red, yellow and blue.

We will learn that there are different shapes. We will learn what a circle, square, triangle, and rectangle look like. We will begin learning how to use a pencil to make shapes and lines to get ready to learn to write letters.

Big bugs, small bugs, big bugs, small bugs,
See them crawl on the wall?
